You may remain in the meeting and take part fully in discussion and voting unless the interest is prejudicial.

A personal interest becomes prejudicial if a member of the public with knowledge of the relevant facts would reasonably regard it as so significant that it is likely to prejudice your judgment of the public interest and it relates to a financial or regulatory matter.

2. Members of the Public

Any member of the public who wishes to speak on any item of the agenda, or about a specific planning application, should notify the Clerk of their intention to do so prior to the start of the meeting, and preferably in writing at least one day before the meeting is due to be held.

If such notification is given then he/she will be allowed to make a two minute statement prior to the notified item of business being discussed. Once he/she has made their statement they will not be allowed to speak further on the matter or take part in the actual Members' debate.
